

Please support Swindon Carers Centre

Your chance to win a monthly cash prize and help Swindon Carers Centre at the same time!

About our Lottery

Our own 50:50 Lottery Club raises money to enable us to support carers.

It's called the 50:50 club as half of all proceeds raised each month are allocated to Swindon Carers Centre, which will help us to provide services for carers in Swindon. The other half is retained as the prize fund to be won by club members. The more club members we have, the bigger the prize fund and the more charitable donations Swindon Carers Centre receives.

How does it work?

To enter our monthly draw, simply complete the 50:50 Lottery Club form on the next page and sign up to pay £5 each month. Once we have received your form, we allocate you with your unique number. You can have as many unique numbers as you like to increase your chances of winning - each number costs £5. For example, if you want to donate £20 each month, you will have 4 unique numbers. Each month, three lucky numbers are picked at random and will receive the prize fund. The first prize winner will get 35%, the second prize winner will get 10% and the third prize winner will get 5%.

How to join in

To join, you must be over 16 years of age. Send your completed and signed form back to us to the address on the top of the form, which includes the standing order bank instruction. We will send the form to your bank to start the payments by standing order. Payments will be paid to us each month direct from your bank. We will contact you to let you know your unique number(s).

After the draw, we will post the winning numbers on our website (your personal details will not be featured). If you are a winner, we will contact you to tell you the good news! You can stop club membership whenever you choose.

It really is that simple! You'll be helping Swindon Carers Centre with a donation and be in with a chance to win a prize every month.

If you don't have access to a printer, email us at carers@swindoncarers.org.uk and we can post out a registration form.

Our Mission:

To improve the well-being of people with caring responsibilities in and around Swindon, creating a community where carers are recognised, valued and supported.

Why support services for carers?

Carers are people who look after an ill, frail or disabled family member, partner or friend who couldn't otherwise live independently. The person being cared for may be elderly, have a physical or mental health condition, a learning disability or a drug or alcohol dependency. People often don't view themselves as carers, and as a result, can miss out on various rights, benefits and support which may help them in their role.

What do we do?

Swindon Carers Centre is there to help carers in Swindon. We can assess carers' needs and then help to ensure they have access to the information, services, breaks and support that is relevant to them. By doing this, we can often improve carers' wellbeing, and, if the carer is coping better, the person they care for will also benefit.

Why do we need to fundraise?

The level of demand for our services is increasing. We need to raise money to ensure we can continue to support carers who come to us.
