Why support us?

Swindon Carers Centre works to improve the wellbeing of people with caring responsibilities in Swindon, so that they can live a healthy, fulfilling life alongside their caring role.

By joining our 50:50 Lottery Club you're helping us to continue making a difference to the lives of carers aged 5 years and upwards.

Our dedicated team provides information, signposting and advice. This includes our Carers Support Line, 1:1 support, bereavement support, welfare and benefits advice, opportunities for carers to have some time out from their caring role by accessing our regular groups and events, and our Emergency Card Scheme (contingency plan).

How fundraising helps us

£5 could: Go towards a wellbeing pack delivered to a carer's home.

£10 could: Help a carer to access training to support them with their caring responsibilities.

£60 could: Pay to hire a hall so that carers can meet for friendship, peer support and a break from their caring routine.

Swindon Carers Centre's 50:50 Lottery Club is licensed under the Gambling Act 2005 with Swindon Borough Council.

How does it work?

You can become a 50:50 Lottery Club member for just £5 per month.

All proceeds raised are split 50:50. Half goes to Swindon Carers Centre to help us to provide services for carers in Swindon and the remaining half is retained as the prize fund to be won by club members.

Each month three lucky winners are picked at random and receive a cash prize. The minimum cost to play is £5 per month, which buys one number. The more you pay, the more numbers you receive and the more chance you have of winning!

For example:

£5 - 1 number

£10 – 2 numbers

£15 – 3 numbers

£20 – 4 numbers and so on

The more club members we have, the bigger the prize fund and the more charitable donations Swindon Carers Centre receives.

“I play the 50:50 Lottery to give something back, so it can help other carers. I cared for my dad, and I wouldn’t have survived without the support of Swindon Carers Centre. I will always be forever grateful for the support I had.”

50:50 Lottery Club member Linda
