Swindon Carers Centre retains Centre of Excellence Award

Swindon Carers Centre has been reaccredited with another prestigious quality mark for the excellent service it provides.

Just months after being re-awarded PQASSO Level 2 (Practical Quality Assurance System for Small Organisations) which is a performance evaluation system and quality mark for small non-profit organisations in the UK; Swindon Carers Centre has again achieved Level 2 of The Carers Trust Quality Mark for Adult and Young Carer's Services.

The award lasts three years and this is the second time Swindon Carers Centre has achieved it.

Kathryn Cook is Swindon Carers Centre's Service Delivery Manager: "I am absolutely delighted our organisation has successfully completed the reaccreditation of The Carers Trust's Centre of Excellence award. This was a wide-ranging and robust assessment at all levels of the organisation and reflects the high quality and well-governed service we provide for carers in Swindon".
